EXPERIENCE

Codec Technologies – Web Developer Intern

Remote

MAY 2026–JUNE 2026

- Collaborated on code reviews and debugging tasks to enhance code quality and team efficiency.
- Transformed concepts into user flows, wireframes, and prototypes to enhance user experiences.
- Identified and reported security system performance issues, facilitating timely resolutions.
- Created technical documentation, including flowcharts, user manuals, and API reference guides, to support user understanding and system maintenance.
- Monitored key system performance metrics, ensuring optimal optimization of page load times and API responses.

Codtech IT Solutions Pvt. Ltd – Front End Developer Intern

Remote

JAN 2026–FEB 2026

- Collaborated with team members to design and implement intuitive interface features that enhanced user engagement.
- Created interactive prototypes that facilitated user testing and refined overall user experience.
- Designed responsive web layouts utilizing HTML, CSS, and JavaScript frameworks.
- Developed reusable components that streamlined development process across multiple projects.
